#### **ARTICLE IV. PROVISIONS FOR IMPLEMENTATION OF THE PLAN**

A. Substantive Consolidation: The Plan shall serve as a motion by the Debtors seeking entry of a Bankruptcy Court order substantively consolidating all of the Estates into a single consolidated Estate for all purposes associated with Confirmation and Consummation.

If substantive consolidation of all of the Estates is ordered, then on and after the Effective Date, all assets and liabilities of the Debtors shall be treated as though they were merged into the Estate of Calpine for all purposes associated with Confirmation and Consummation, and all guarantees by any Debtor of the obligations of any other Debtor shall be eliminated so that any Claim and any guarantee thereof by any other Debtor, as well as any joint and several liability of any Debtor with respect to any other Debtor shall be treated as one collective obligation of the Debtors. Substantive consolidation shall not affect the legal and organizational structure of the Reorganized Debtors or their separate corporate existences or any prepetition or postpetition guarantees, Liens, or security interests that are required to be maintained under the Bankruptcy Code, under the Plan, or, in connection with contracts or leases that were assumed or entered into during the Chapter 11 Cases. Any alleged defaults under any applicable agreement with the Debtors, the Reorganized Debtors, or the Affiliates arising from substantive consolidation under the Plan shall be deemed cured as of the Effective Date. Notwithstanding anything in the Plan or in the Confirmation Order to the contrary, the entry of the Confirmation Order ordering substantive consolidation of the Estates shall not have any effect upon the separate and distinct legal entities as they existed at the time of any prepetition transaction that is the subject of any litigation asserting claims for fraudulent conveyance; provided, however, that the foregoing provisions shall not serve to prejudice or compromise whatever rights, if any, Calpine or Reorganized Calpine, as applicable, may have to contend in any pending or future adversary proceeding that Calpine or Reorganized Calpine, as applicable, may prosecute claims for fraudulent conveyance arising from transfers made by one or more of its affiliates based on any theory or doctrine, including any federal, state, or common law alter-ego, veil-piercing, or any other theory or doctrine that would permit or require the disregard of corporate separateness, or facts as they existed at the time of the transaction in question.

1. New Credit Facility: On the Effective Date, the Reorganized Debtors shall enter into the New Credit Facility. Confirmation shall be deemed approval of the New Credit Facility (including the transactions contemplated thereby, such as any supplementation or additional syndication of the New Credit Facility, and all actions to be taken, undertakings to be made, and obligations to be incurred by the Reorganized Debtors in connection therewith, including the payment of all fees, indemnities, and expenses provided for therein) and authorization for the Reorganized Debtors to enter into and execute the New Credit Facility documents and such other documents as the New Credit Facility Lenders may reasonably require to effectuate the treatment afforded to such lenders pursuant to the New Credit Facility, subject to such modifications as the Reorganized Debtors, with the consent of the Creditors' Committee as to material modifications, may deem to be reasonably necessary to consummate such New Credit Facility. The Reorganized Debtors may use the New Credit Facility for any purpose permitted thereunder, including the funding of obligations under the Plan, such as the payment of Administrative Claims, and satisfaction of ongoing working capital needs. To the extent doing so would violate the project financing agreements related to the Greenleaf Project and the Agnews Project, the Debtors shall not pledge any of the assets of O.L.S. Energy-Agnews, Inc., Calpine Greenleaf, Inc. and Calpine Greenleaf Holdings, Inc. to the New Credit Facility Lenders under the New Credit Facility, and O.L.S. 3. New Calpine Warrants: On the Effective Date, Reorganized Calpine shall issue the New Calpine Warrants for distribution to Holders of Interests in Class E-1.

C. Section 1145 Exemption: Pursuant to section 1145 of the Bankruptcy Code, the offering, issuance, and distribution of any Securities contemplated by the Plan and any and all settlement agreements incorporated herein, including the New Calpine Plan Securities, shall be exempt from, among other things, the registration requirements of section 5 of the Securities Act and any other applicable law requiring registration prior to the offering, issuance, distribution, or sale of Securities. In addition, under section 1145 of the Bankruptcy Code any Securities contemplated by the Plan and any and all settlement agreements incorporated therein, including the New

Calpine Plan Securities, will be freely tradable by the recipients thereof, subject to (i) the provisions of section 1145(b)(1) of the Bankruptcy Code relating to the definition of an underwriter in section 2(a)(11) of the Securities Act, and compliance with any rules and regulations of the Securities and Exchange Commission, if any, applicable at the time of any future transfer of such Securities or instruments; (ii) the restrictions, if any, on the transferability of such Securities and instruments; and (iii) applicable regulatory approval.

Entities receiving distributions of New Calpine Common Stock, by accepting such distributions, shall be deemed to have agreed to cooperate with the Reorganized Debtors' reasonable requests to assist them in their efforts to list the New Calpine Common Stock on a national securities exchange or quotation system.

E. Restrictions on Resale of Securities to Protect Net Operating Losses: The Reorganized Calpine Charter shall contain the restrictions on the transfer of New Calpine Common Stock in the same form and substance as those contained in the New Calpine Trading Restriction Term Sheet to minimize the likelihood of any potential adverse federal income tax consequences resulting from an ownership change (as defined in section 382 of the Internal Revenue Code) in Reorganized Calpine.

F. Issuance and Distribution of the New Calpine Plan Securities: The New Calpine Plan Securities, when issued or distributed as provided in the Plan, will be duly authorized, validly issued, and, if applicable, fully paid and nonassessable. Each distribution and issuance referred to in ARTICLE III shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the instruments evidencing or relating to such distribution or issuance, which terms and conditions shall bind each Entity receiving such distribution or issuance.

G. Corporate Existence: Except as otherwise provided in the Plan, each Debtor shall continue to exist after the Effective Date as a separate corporate entity, limited liability company, partnership, or other form, as the case may be, with all the powers of a corporation, limited liability company, partnership, or other form, as the case may be, pursuant to the applicable law in the jurisdiction in which each applicable Debtor is incorporated or formed and pursuant to the respective certificate of incorporation and bylaws (or other formation documents) in effect prior to the Effective Date, except to the extent such certificate of incorporation and bylaws (or other formation documents) are amended by the Plan or otherwise, and to the extent such documents are amended, such documents are deemed to be pursuant to the Plan and require no further action or approval.

the DIP Facility). On and after the Effective Date, except as otherwise provided in the Plan, each Reorganized Debtor may operate its business and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

I. Cancellation of Debt and Equity Securities and Related Obligations: On the Effective Date, except as otherwise specifically provided for in the Plan: (1) the Old Calpine Common Stock and any other Certificate, note, bond, indenture, purchase right, option, warrant, or other instrument or document directly or indirectly evidencing or creating any indebtedness or obligation of or ownership interest in the Debtors giving rise to any Claim or Interest (except such Certificates, notes, other instruments or documents evidencing indebtedness or obligations of the Debtors that are Reinstated pursuant to the Plan), shall be cancelled solely as to the Debtors, and the Reorganized Debtors shall not have any continuing obligations thereunder and (2) the obligations of the Debtors pursuant, relating, or pertaining to any agreements, indentures, certificates of designation, bylaws, or certificate or articles of incorporation or similar documents governing the Old Calpine Common Stock and any other Certificates, notes, bonds, indentures, purchase rights, options, warrants, or other instruments or documents evidencing or creating any indebtedness or obligation of the Debtors (except such agreements or Certificates, notes or other instruments evidencing indebtedness or obligations of the Debtors that are specifically Reinstated pursuant to the Plan) shall be released and discharged; provided, however, that notwithstanding Confirmation, any such indenture or agreement that governs the rights of the Holder of a Claim or Interest shall continue in effect solely for purposes of: (w) allowing Holders to receive distributions under the Plan; (x) allowing a Servicer to make distributions on account of such Claims or Interests as provided in ARTICLE VII; (y) permitting such Servicer to maintain any rights and Liens it may have against property other than the Reorganized Debtors' property for fees, costs, and expenses pursuant to such indenture or other agreement; and (z) governing (i) the rights and obligations of non-Debtor parties to such agreements vis-à-vis each other, (ii) determination of the rights and obligations of non-Debtor parties with respect to the subordination provisions of any indenture in favor of the non-Debtor parties of any other indenture, including the calculation of such rights and obligations, and (iii) the reimbursement and indemnification obligations, if any, of the Debtors in favor of an indenture trustee that is party to the Intercreditor Subordination Dispute solely with respect to fees and expenses incurred, if any, by such indenture trustee after the Confirmation Date in connection with the Intercreditor Subordination Dispute, subject to the Debtors' or Reorganized Debtors', as applicable, and Creditors' Committee's rights to object to any such fees and expenses; further, however, that the preceding proviso shall not affect the discharge of Claims or Interests pursuant to the Bankruptcy Code, the Confirmation Order, or the Plan, or result in any expense or liability to the Reorganized Debtors not otherwise specifically provided for herein. The Reorganized Debtors shall not have any obligations to any Servicer for any fees, costs, or expenses, except as expressly otherwise provided in the Plan. Notwithstanding the foregoing, the indenture governing the First Lien Debt Claims and any related documents thereto governing the rights and obligations of the Debtors and non-Debtor parties with respect to the First Lien Debt Claims shall survive for purposes of the First Lien Makewhole Claim litigation, until such time as the First Lien Debt Claims have been Allowed by a Final Order and the obligations are satisfied in accordance with the terms of the Plan or the First Lien Debt Claims have been disallowed by Final Order. Notwithstanding the foregoing, the indentures and the credit

Nothing in the Plan or Confirmation Order shall limit or otherwise affect the continuing effectiveness of the bonds, indentures, and other documents related to the KIAC And Nissequogue Leasehold Interests and the Hidalgo Leasehold Interest. Prior to the Effective Date, the Debtors shall have obtained the reasonable consent of the Creditors’ Committee regarding their intentions with respect to the Roll-Up Transactions.

K. Post-Confirmation Property Sales: To the extent the Debtors or Reorganized Debtors, as applicable, sell any of their property prior to or including the date that is one year after Confirmation, the Debtors or Reorganized Debtors, as applicable, may elect to sell such property pursuant to sections 363, 1123, and 1146(a) of the Bankruptcy Code.

With respect to Robert P. May, as Chief Executive Officer of Reorganized Calpine, if Mr. May has not entered into a new employment agreement with Reorganized Calpine within six months after the Effective Date, the initial grant under the Management and Director Equity Incentive Plan to Mr. May shall be null and void and Mr. May shall not be entitled to any additional compensation on account thereof; provided, however, that if there is a change in control in Reorganized Calpine while Mr. May is employed as the Chief Executive Officer within six months after the Effective Date, the initial grant under the Management and Director Equity Incentive Plan to Mr. May shall vest and remain in full force and effect regardless of whether Mr. May entered into a new

employment agreement with Reorganized Calpine within six months after the Effective Date. All other terms and conditions of the Management and Director Equity Incentive Plan shall be determined by the board of directors of Reorganized Calpine. For purposes hereof, “change in control” shall mean the sale of all or substantially all of the assets of the Reorganized Debtors or the acquisition by one or more related entities of 50.1% or more of the New Calpine Common Stock. The board of directors of Reorganized Calpine shall determine the permanent long-term Chief Executive Officer of Reorganized Calpine and shall also discharge its other fiduciary duties in good faith and in accordance with applicable laws and regulations.

T. Creation of Professional Fee Escrow Account: On the Effective Date, the Reorganized Debtors shall establish the Professional Fee Escrow Account and reserve an amount necessary to pay all of the Accrued Professional Compensation.

U. Preservation of Rights of Action: In accordance with section 1123(b) of the Bankruptcy Code, the Reorganized Debtors shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action, whether arising before or after the Petition Date, including any actions specifically enumerated in the Plan Supplement, and the Reorganized Debtors’ rights to commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. The Reorganized Debtors may pursue such Causes of Action, as appropriate, in accordance with the best interests of the Reorganized Debtors. **No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against them as any indication that the Debtors or Reorganized Debtors, as applicable, will not pursue any and all available Causes of Action against them. The Debtors or Reorganized Debtors, as applicable, expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Plan.** Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Bankruptcy Court order, the Reorganized Debtors expressly reserve all Causes of Action, for later adjudication, and, therefore no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

The Reorganized Debtors reserve and shall retain the foregoing Causes of Action notwithstanding the rejection or repudiation of any executory contract or unexpired lease during the Chapter 11 Cases or pursuant to the Plan. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that a Debtor may hold against any Entity shall vest in the Reorganized Debtors, as the case may be. The applicable Reorganized Debtor, through its authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court, except with respect to any actions pending as of the Effective Date to which the Creditors’ Committee is a party in which case all of the foregoing rights shall be as they were immediately before the Effective Date.

V. Rights of Action Against Pipelines: To the extent the Debtors have any Causes of Action or claims against Gas Transmission Northwest Corporation or Portland Natural Gas Transmission System arising under the GTN/PNGTS Contracts or under the Bankruptcy Code or other applicable bankruptcy law as of the date of the *Stipulation and Agreed Order Between and Among the Debtors, Portland Natural Gas Transmission System, Gas Transmission Northwest Corporation, TransCanada Pipelines Limited, and NOVA Gas Transmission Resolving and Allowing Claims and Terminating Agreements*, such Causes of Action or claims are hereby expressly waived, relinquished, and released. To the extent the Debtors have any Causes of Action or claims against NOVA Gas Transmission Ltd. or TransCanada PipeLines Limited arising under the TransCanada/NOVA Contracts or under the Bankruptcy Code or other applicable bankruptcy law as of the date of this Stipulation, such Causes of Action or claims are hereby expressly waived, relinquished, and released.

## **ARTICLE V.**

### **TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES**

A. Assumption and Rejection of Executory Contracts and Unexpired Leases: Except as otherwise provided in the Plan, the Debtors' executory contracts or unexpired leases not assumed or rejected pursuant to a Bankruptcy Court order prior to the Effective Date shall be deemed rejected pursuant to sections 365 and 1123 of the Bankruptcy Code, except for those executory contracts or unexpired leases: (1) listed on the schedule of "Assumed Executory Contracts and Unexpired Leases" in the Plan Supplement; (2) listed on the schedule of "Rejected Executory Contracts and Unexpired Leases" in the Plan Supplement; (3) that are Intercompany Contracts, in which case such Intercompany Contracts are deemed automatically assumed by the applicable Debtor as of the Effective Date, unless such Intercompany Contract previously was rejected by the Debtors pursuant to a Bankruptcy Court order, is the subject of a motion to reject pending on the Effective Date, or is listed on the schedule of "Rejected Executory Contracts and Unexpired Leases" in the Plan Supplement; (4) that are the subject of a motion to assume or reject pending on the Effective Date (in which case such assumption or rejection and the effective date thereof shall remain subject to a Bankruptcy Court order); (5) that are subject to a motion to reject with a requested effective date of rejection after the Effective Date; (6) that are Rosetta Contracts whose treatment under the Plan is provided for in ARTICLE V.A.3; (7) that are Oil and Gas Contracts whose treatment under the Plan is provided for in ARTICLE V.A.4; or (8) that are otherwise expressly assumed or rejected pursuant to the Plan (including ARTICLE V as set forth below). Entry of the Confirmation Order shall constitute a Bankruptcy Court order approving the assumptions or rejections of such executory contracts or unexpired leases as set forth in the Plan, all pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Unless otherwise indicated, all assumptions or rejections of such executory contracts and unexpired leases in the Plan are effective as of the Effective Date. Each such executory contract and unexpired lease assumed pursuant to the Plan or by Bankruptcy Court order but not assigned to a third party prior to the Effective Date shall revert in and be fully enforceable by the applicable contracting Reorganized Debtor in accordance with its terms, except as such terms may have been modified by such order. Notwithstanding anything to the contrary in the Plan, the Debtors or Reorganized Debtors, as applicable, reserve the right to alter, amend, modify, or supplement the schedules of executory contracts or unexpired leases identified in ARTICLE V and in the Plan Supplement at any time through and including the later of fifteen days after the Effective Date or such other date as set forth in ARTICLE V.C; provided, however, that this sentence shall not apply to: (1)

the executory contracts or unexpired leases with: (a) Hess Corporation (formerly known as Amerada Hess Corporation); (b) the Industrial Development Corporation of the City of Edinburg, Texas; (c) BP Amoco Chemical Co. and BP Energy Company; (d) Enbridge Pipelines (Bamagas Intrastate) L.L.C. f/k/a BAMAGAS Company; (e) Spectra Energy Corporation, Texas Eastern Transmission LP (f/k/a Texas Eastern Transmission Corporation), Egan Hub Storage LLC, Moss Bluff Hub Partners LP, Gulfstream Natural Gas System, and Maritimes & Northeast US; (f) Energy Transfer Fuel, L.P., ETC Marketing, Inc., and Houston Pipeline Co. LP.; or (g) The Dow Chemical Company and its affiliates, or (2) Intercompany Contracts relating to the Deer Park Energy Center LP, a non-Debtor Affiliate.

1. Indemnification Obligations: Each Indemnification Obligation shall be assumed by the applicable Debtor effective as of the Effective Date, pursuant to sections 365 and 1123 of the Bankruptcy Code, to the extent such Indemnification Obligation is executory, unless such Indemnification Obligation previously was rejected by the Debtors pursuant to a Bankruptcy Court order, is the subject of a motion to reject pending on the Effective Date, or is listed on the schedule of “Rejected Indemnification Obligations for Former Employees” in the Plan Supplement. Notwithstanding the foregoing, an Indemnification Obligation to any Person who as of the Petition Date no longer was a director, officer, or employee of a Debtor, shall terminate and be discharged pursuant to section 502(e) of the Bankruptcy Code or otherwise, as of the Effective Date; provided, however, that the Reorganized Debtors reserve the right to honor or reaffirm Indemnification Obligations other than those terminated by a prior or subsequent order of the Bankruptcy Court, whether or not executory, in which case such honoring or reaffirmation shall be in complete satisfaction, discharge, and release of any Claim on account of such Indemnification Obligation. Each Indemnification Obligation that is assumed, deemed assumed, honored, or reaffirmed shall remain in full force and effect, shall not be modified, reduced, discharged, impaired, or otherwise affected in any way, and shall survive Unimpaired and unaffected, irrespective of when such obligation arose.

2. Treatment of FERC Jurisdictional Contracts: Each FERC Jurisdictional Contract shall be deemed automatically assumed as of the Effective Date pursuant to section 365 and 1123 of the Bankruptcy Code, unless such FERC Jurisdictional Contract was: (a) previously terminated by mutual agreement by the Debtors and the counterparty or counterparties to such FERC Jurisdictional Contract; (b) previously the subject of a written notice from the Debtors to the counterparty or counterparties stating that such FERC Jurisdictional Contract was repudiated; or (c) subject of a motion to reject pending as of the Effective Date (“Rejection Motion”). The GTN/PNGTS Contracts shall be terminated by mutual agreement according to the terms of the Stipulation and Agreed Order Between and Among the Debtors, Portland Natural Gas Transmission System, Gas Transmission Northwest Corporation, Transcanada Pipelines Limited, and Nova Gas Transmission Resolving and Allowing Claims and Terminating Agreements.

3. Treatment of Rosetta Contracts: Notwithstanding any language herein to the contrary, by stipulation and agreement of the Debtors and Rosetta incorporated herein, the deadline to assume or reject the Rosetta Contracts is and shall be extended to fifteen days following entry of a Final Order in the Rosetta Adversary Proceeding. All rights and duties of the Debtors, Reorganized Debtors, and Rosetta under the Bankruptcy Code with respect to assumption or rejection of the Rosetta Contracts, including the right to argue that certain or all of the Rosetta Contracts are interrelated and form one integrated agreement, rights of offset or cure,

or right to election under section 365(i) of the Bankruptcy Code, are expressly reserved as they relate to the Rosetta Contracts. In the event that Rosetta prevails in the Adversary Proceeding, the Debtors or Reorganized Debtors, as applicable, shall, within twenty days of the entry of final, non-appealable judgment in favor of Rosetta, File a motion to assume the Rosetta Contracts and shall include therein a statement of the cure amount (if any) they propose to pay in respect of the assumption of the Rosetta Contracts. In the event Rosetta disputes such cure amounts, the proper cure amounts will be determined by the Bankruptcy Court and any cure amounts found to be due shall be paid by the Reorganized Debtors to Rosetta in Cash and, as a result, the Debtors shall not be required to reserve any amounts on account of such cure Claims.

4. Treatment of Oil and Gas Contracts: Notwithstanding any language herein to the contrary, by stipulation and agreement of the Debtors and Petersen incorporated herein, the deadline to assume or reject the Oil and Gas Contracts is and shall be extended to fifteen days following entry of a Final Order in the Rosetta Adversary Proceeding. All rights and duties of the Debtors, Reorganized Debtors, Petersen, and any other applicable counterparty under the Bankruptcy Code with respect to assumption or rejection of the Oil and Gas Contracts, including the right to argue that certain or all of the Oil and Gas Contracts are interrelated and form one integrated agreement, rights of offset or cure, or right to election under section 365(i) of the Bankruptcy Code, are expressly reserved as they relate to the Oil and Gas Contracts. In the event that Rosetta prevails in the Adversary Proceeding, the Debtors or Reorganized Debtors, as applicable, shall, within twenty days of the entry of final, non-appealable judgment in favor of Rosetta, File a motion to assume the Oil and Gas Contracts, to the extent they have not already been assumed, and shall include therein a statement of the cure amount (if any) they propose to pay in respect of the assumption of the Oil and Gas Contracts. In the event Petersen or other applicable counterparty disputes such cure amounts, the proper cure amounts will be determined by the Bankruptcy Court and any cure amounts found to be due shall be paid by the Reorganized Debtors to Petersen, or other counterparty, as applicable, in Cash and, as a result, the Debtors shall not be required to reserve any amounts on account of such cure Claims. Nothing contained herein shall be construed to prevent the Debtors from deciding to assume or reject the Oil and Gas Contracts prior to the outside deadline established above or Petersen from seeking an earlier determination for cause shown.

5. Treatment of California Energy Commission Agreements:

a. Rejected California Energy Commission Agreements: Notwithstanding any language herein to the contrary, the Debtors hereby reject the Rejected California Energy Commission Agreements. California Energy Commission stipulates that there are zero dollars in damages on account of the rejection of these contracts. California Energy Commission will terminate these agreements pursuant to their terms or as otherwise required by state law and no expenses shall be reimbursed on account of any of these agreements.

b. Assumed July 14 California Energy Commission Agreement: Notwithstanding any language herein to the contrary, the Debtors hereby assume the Assumed July 14 California Energy Commission Agreement with a zero dollar cure. Reorganized Calpine shall complete performance of this grant agreement by completing a final report before the end date of the grant agreement on March 31, 2008.

c. Assumed July 1 California Energy Commission Agreement: Notwithstanding any language herein to the contrary, the Debtors hereby assume the Assumed July 1 California Energy Commission Agreement. California Energy Commission agrees to reimburse Reorganized Calpine for its expenses that are eligible to be reimbursed under the terms of this agreement, up to a ceiling amount of \$152,000. Reorganized Calpine agrees to complete a final report, detailing the work performed and tasks completed and agrees that it will determine the actual amount of reimbursable expenses incurred and reimbursable, but not yet invoiced to California Energy Commission. The amount which California Energy Commission agrees to pay Reorganized Calpine pursuant to this agreement will be the actual accounting of the invoices that will be billed to California Energy Commission, not the agreement ceiling amount of \$219,000. Reorganized Calpine agrees to invoice California Energy Commission by March 31, 2008, when the grant terminates. The Debtors or Reorganized Debtors, as applicable, and California Energy Commission agree that the Assumed July 21 California Energy Commission Agreement shall terminate pursuant to its own terms on March 31, 2008.

6. Treatment of Ace Agreements: Notwithstanding anything to the contrary in the Plan or the Confirmation Order, all of the pre- and postpetition agreements between the Debtors and members of the ACE group of companies will remain in full force and effect, and will be performed according to their terms by the Reorganized Debtors and the ACE companies. The Debtors and the ACE companies reserve their respective rights under the insurance and surety agreements and applicable non-bankruptcy law and nothing in the Plan or Confirmation Order will alter, amend, or modify such rights.

7. Treatment of the Hess Agreement: On the Effective Date, the Hess Agreement shall be assumed, and Cure in connection with such assumption shall be made as follows: (a) Claim No. 3781 shall be a Class C-8 Allowed Claim in the amount of \$9,391,977.90; (b) Claim No. 3778 shall be a Class C-8 Allowed Claim in the amount of \$249,999; (c) Hess shall be entitled to an additional Class C-8 Allowed Claim in the amount of \$100,000 for attorney's fees and costs; and (d) Hess shall be entitled to an Allowed Administrative Claim under section 503(b)(9) of the Bankruptcy Code in the amount of \$3,814,317.06. The Class C-8 Allowed Claims and the Allowed Administrative Claim shall include postpetition interest at the rate set forth in Section 6.5 of the Hess Agreement. The Allowed C-8 Claims and the Allowed Administrative Claim shall be paid in full with Cash, which may include proceeds generated from the sale of New Calpine Common Stock from the New Calpine Stock Reserve pursuant to ARTICLE VII.D.9. The Allowed Administrative Claim shall be paid within ten (10) days of the Effective Date. The following shall be deemed withdrawn with prejudice as of the Effective Date: (a) the *Objection of Hess Corporation to Debtors' Request to Reject Agreement Between KIAC Partners and Hess Corporation and Limited Objection to Confirmation of Plan with Respect to KIAC Partners Pursuant to Section 1129(a)(3) of the Bankruptcy Code* [Docket No. 7109], (b) the Hess Adversary Proceeding, and (c) Claim No. 3782.

B. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases: With respect to each of the Debtors' executory contracts or unexpired leases listed on the schedule of "Assumed Executory Contracts and Unexpired Leases," the Debtors shall have designated a proposed Cure, and the assumption of such executory contract or unexpired lease may be

conditioned upon the disposition of all issues with respect to Cure. Any provisions or terms of the Debtors' executory contracts or unexpired leases to be assumed pursuant to the Plan that are, or may be, alleged to be in default, shall be satisfied solely by Cure, or by an agreed-upon waiver of Cure. Except with respect to executory contracts and unexpired leases in which the Debtors and the applicable counterparties have stipulated in writing to payment of Cure, all requests for payment of Cure that differ from the amounts proposed by the Debtors must be Filed with the Claims and Solicitation Agent on or before the Cure Bar Date. Any request for payment of Cure that is not timely Filed shall be disallowed automatically and forever barred from assertion and shall not be enforceable against any Reorganized Debtor, without the need for any objection by the Reorganized Debtors or further notice to or action, order, or approval of the Bankruptcy Court, and any Claim for Cure shall be deemed fully satisfied, released, and discharged upon payment by the Debtors of the amounts listed on the Debtors' proposed Cure schedule, notwithstanding anything included in the Schedules or in any Proof of Claim to the contrary; provided, however, that nothing shall prevent the Reorganized Debtors from paying any Cure despite the failure of the relevant counterparty to File such request for payment of such Cure. The Reorganized Debtors also may settle any Cure without further notice to or action, order, or approval of the Bankruptcy Court.

If the Debtors or Reorganized Debtors, as applicable, object to any Cure or any other matter related to assumption, the Bankruptcy Court shall determine the Allowed amount of such Cure and any related issues. If there is a dispute regarding such Cure, the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" within the meaning of section 365 of the Bankruptcy Code, or any other matter pertaining to assumption, then Cure shall occur as soon as reasonably practicable after entry of a Final Order resolving such dispute, approving such assumption (and, if applicable, assignment), or as may be agreed upon by the Debtors, in consultation with the Creditors' Committee, or Reorganized Debtors, as applicable, and the counterparty to the executory contract or unexpired lease. Any counterparty to an executory contract and unexpired lease that fails to object timely to the proposed assumption of any executory contract or unexpired lease will be deemed to have consented to such assumption. The Debtors or Reorganized Debtors, as applicable, reserve the right either to reject or nullify the assumption of any executory contract or unexpired lease no later than thirty days after a Final Order determining the Cure or any request for adequate assurance of future performance required to assume such executory contract or unexpired lease; provided, however, that this sentence shall not apply to The Dow Chemical Company and its affiliates.

Assumption of any executory contract or unexpired lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Claims or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed executory contract or unexpired lease at any time prior to the effective date of assumption. Any Proofs of Claim filed with respect to an executory contract or unexpired lease that has been assumed shall be deemed disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy Court.

C. Executory Contracts and Unexpired Leases Relating to Projects to be Sold or Surrendered: Each of the Debtors' executory contracts and unexpired leases listed on the

schedule of “Conditionally Assumed Executory Contracts and Unexpired Leases” in the Plan Supplement shall be deemed assumed by the contracting Debtors or Reorganized Debtor, as applicable, on a conditional basis pursuant to sections 365 and 1123 of the Bankruptcy Code, provided that the Debtors, with the reasonable consent of the Creditors’ Committee, or Reorganized Debtors, as applicable, may alter the treatment of such listed executory contracts and unexpired leases through the later of a date that is sixty days after the Effective Date or such other date as set forth in ARTICLE V.A, at which time the executory contracts and unexpired leases remaining on such list are unconditionally assumed so that the Cure provisions of ARTICLE V.B shall apply, and the executory contracts and unexpired leases no longer remaining on such list are unconditionally rejected or repudiated all pursuant to sections 365 and 1123 of the Bankruptcy Code or otherwise.

D. Preexisting Obligations to the Debtors Under Executory Contracts and Unexpired Leases: Rejection or repudiation of any executory contract or unexpired lease pursuant to the Plan or otherwise shall not constitute a termination of pre-existing obligations owed to the Debtors under such contracts or leases. In particular, notwithstanding any nonbankruptcy law to the contrary, the Reorganized Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations on goods previously purchased by the contracting Debtors or Reorganized Debtors, as applicable, from counterparties to rejected or repudiated executory contracts.

E. Claims Based on Rejection or Repudiation of Executory Contracts and Unexpired Leases: Unless otherwise provided by a Bankruptcy Court order, any Proofs of Claim asserting Claims arising from the rejection or repudiation of the Debtors’ executory contracts and unexpired leases pursuant to the Plan or otherwise must be Filed with the Claims and Solicitation Agent no later than thirty days after the later of the Effective Date or the effective date of rejection or repudiation. Any Proofs of Claim arising from the rejection or repudiation of the Debtors’ executory contracts or unexpired leases that are not timely Filed shall be disallowed automatically, forever barred from assertion, and shall not be enforceable against any Reorganized Debtor without the need for any objection by the Reorganized Debtors or further notice to or action, order, or approval of the Bankruptcy Court, and any Claim arising out of the rejection or repudiation of the executory contract or unexpired lease shall be deemed fully satisfied, released, and discharged, notwithstanding anything in the Schedules or a Proof of Claim to the contrary. All Allowed Claims arising from the rejection or repudiation of the Debtors’ executory contracts and unexpired leases shall be classified as Rejection Damages Claims and shall be treated in accordance with ARTICLE III.B.11.

F. Intercompany Contracts, Contracts, and Leases Entered Into After the Petition Date: Intercompany Contracts, contracts, and leases entered into after the Petition Date by any Debtor, and any executory contracts and unexpired leases assumed by any Debtor, may be performed by the applicable Reorganized Debtor in the ordinary course of business. For the avoidance of doubt, if approved by an order of the Bankruptcy Court, the transactions contemplated by that certain *Motion For Entry Of An Order Pursuant To Sections 105, 363 And 365 Of The Bankruptcy Code And Bankruptcy Rule 9019 Authorizing And Approving (I) Entry Into Settlement Agreement With Lease Financing Parties Related To Pasadena Cogeneration L.P., (II) Assumption Of Certain Pasadena Facility Transaction Documents, (III) Amendment Of Certain Pasadena Facility Transaction Documents And (IV) The Post-Petition Execution Of*

*Certain Agreements Related To The Pasadena Facility*, filed on November 21, 2007, [Docket No. 6669], shall be binding upon the applicable Reorganized Debtors and the counterparties to such transactions, notwithstanding anything contained in the Plan or the Confirmation Order to the contrary. Notwithstanding anything in the Plan, the Plan Supplement, or the Confirmation Order to the contrary, with respect to Merrill Lynch Commodities, Inc., to the extent that the Stipulation and Order entered by the Bankruptcy Court on or about June 30, 2006 (the “Merrill Lynch Stipulation”) [Docket No. 2099] is inconsistent with the Plan, the Plan Supplement, or Confirmation Order, the Merrill Lynch Stipulation shall govern. Notwithstanding anything in the Plan to the contrary, the Plan shall not modify or alter any executory contract or unexpired lease relating to the Greenleaf Project or the Agnews Project assumed pursuant to a Bankruptcy Court order prior to the Effective Date.

G. Guarantees Issued or Reinstated After the Petition Date: Those guarantee obligations of any Debtor listed in the Plan Supplement shall be deemed Reinstated on the Effective Date, and such obligations, as well as any other guarantee obligations of any Debtor incurred after the Petition Date, shall be performed by the applicable Reorganized Debtor in the ordinary course of business pursuant to the terms thereof.

H. Modification of Executory Contracts and Unexpired Leases Containing Equity Ownership Restrictions: All executory contracts and unexpired leases to be assumed, or conditionally assumed, under the Plan pursuant to sections 365 and 1123 of the Bankruptcy Code shall be deemed so assumed, or so conditionally assumed, without giving effect to any provisions contained in such executory contracts or unexpired leases restricting the change in control or ownership interest composition of any or all of the Debtors, and upon the Effective Date (1) any such restrictions shall be deemed of no further force and effect and (2) any breaches that may arise thereunder as a result of Confirmation or Consummation shall be deemed waived by the applicable non-Debtor counterparty.

I. Modifications, Amendments, Supplements, Restatements, or Other Agreements: Unless otherwise provided in the Plan, each executory contract or unexpired lease that is assumed shall include all modifications, amendments, supplements, restatements, or other agreements that in any manner affect such executory contract or unexpired lease, and all executory contracts and unexpired leases related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests, unless any of the foregoing agreements has been previously rejected or repudiated or is rejected or repudiated under the Plan.

Modifications, amendments, supplements, and restatements to prepetition executory contracts and unexpired leases that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the executory contract or unexpired lease, or the validity, priority, or amount of any Claims that may arise in connection therewith.

J. Reservation of Rights: Neither the exclusion nor inclusion of any contract or lease in the Plan Supplement, nor anything contained in the Plan, shall constitute an admission by the Debtors that any such contract or lease is in fact an executory contract or unexpired lease or that any Reorganized Debtor has any liability thereunder. Neither the exclusion nor inclusion of any contract or lease in the Plan Supplement, any failure of the Hidalgo Indenture Trustee to assert or

pursue objections to the Plan or object to any relief sought by the Debtors in the Chapter 11 Cases, nor anything contained in the Plan, shall constitute an admission by the Hidalgo Indenture Trustee that the Hidalgo Lease is in fact an executory contract or unexpired lease (rather than a financing transaction). If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or Reorganized Debtors, as applicable, shall have thirty days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease. Confirmation shall have no preclusive effect in any case or proceeding other than the Chapter 11 Cases with respect to the issue of whether the Hidalgo Lease is an unexpired lease or executory contract (rather than a secured financing). If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or Reorganized Debtors, as applicable, shall have thirty days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease.

K. Nonoccurrence of Effective Date: In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any consensual request to extend the deadline for assuming or rejecting unexpired leases pursuant to section 365(d)(4) of the Bankruptcy Code.

## **ARTICLE VI. PROCEDURES FOR RESOLVING DISPUTED CLAIMS AND INTERESTS**

A. Allowance of Claims and Interests: After the Effective Date, each Reorganized Debtor shall have and retain any and all rights and defenses such Debtor had with respect to any Claim or Interest immediately prior to the Effective Date, including the Causes of Action referenced in ARTICLE IV.U.

B. Claims and Interests Administration Responsibilities: Except as otherwise specifically provided in the Plan, after the Effective Date, the Reorganized Debtors shall have the sole authority: (1) to File, withdraw, or litigate to judgment, objections to Claims or Interests; (2) to settle or compromise any Disputed Claim without any further notice to or action, order, or approval by the Bankruptcy Court; and (3) to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court.

C. Estimation of Claims and Interests: Before or after the Effective Date, the Debtors or Reorganized Debtors, as applicable, may (but are not required to) at any time request that the Bankruptcy Court estimate any Disputed Claim or Interest that is contingent or unliquidated pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party previously has objected to such Claim or Interest or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any such Claim or Interest, including during the litigation of any objection to any Claim or Interest or during the appeal relating to such objection. Notwithstanding any provision otherwise in the Plan, a Claim or Interest that has been expunged from the Claims Register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim or Interest, that estimated amount shall

constitute a maximum limitation on such Claim or Interest for all purposes under the Plan (including for purposes of distributions), and the relevant Reorganized Debtor may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim or Interest.

D. Adjustment to Claims and Interests Without Objection: Any Claim or Interest that has been paid or satisfied, or any Claim or Interest that has been amended or superseded, may be adjusted or expunged on the Claims Register by the Reorganized Debtors without a claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court. Beginning on the end of the first full calendar quarter that is at least ninety days after the Effective Date, the Reorganized Debtors shall publish every calendar quarter a list of all Claims or Interests that have been paid, satisfied, amended, or superseded during such prior calendar quarter.

E. Time to File Objections to Claims: Any objections to Claims shall be Filed on or before the later of (1) the date that is one year after the Effective Date and (2) such date as may be fixed by the Bankruptcy Court, after notice and a hearing, whether fixed before or after the date that is one year after the Effective Date.

F. Disallowance of Claims or Interests: Any Claims or Interests held by Entities from which property is recoverable under section 542, 543, 550, or 553 of the Bankruptcy Code or that is a transferee of a transfer avoidable under section 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code, shall be deemed disallowed pursuant to section 502(d) of the Bankruptcy Code, and Holders of such Claims and Interests may not receive any distributions on account of such Claims and Interests until such time as such Causes of Action against that Entity have been settled or a Bankruptcy Court order with respect thereto has been entered and all sums due, if any, to the Debtors by that Entity have been turned over or paid to the Reorganized Debtors. All Claims Filed on account of an Indemnification Obligation to a director, officer, or employee shall be deemed satisfied and expunged from the Claims Register as of the Effective Date to the extent such Indemnification Obligation is assumed (or honored or reaffirmed, as the case may be) pursuant to the Plan, without any further notice to or action, order, or approval of the Bankruptcy Court. All Claims Filed on account of a guarantee Reinstated pursuant to ARTICLE V.G shall be deemed satisfied and expunged from the Claims Register, without any further notice to or action, order, or approval of the Bankruptcy Court. All Claims Filed on account of an employee benefit referenced in ARTICLE IV.R shall be deemed satisfied and expunged from the Claims Register as of the Effective Date to the extent the Reorganized Debtors elect to honor such employee benefit, without any further notice to or action, order, or approval of the Bankruptcy Court.

**EXCEPT AS PROVIDED HEREIN OR OTHERWISE AGREED, ANY AND ALL PROOFS OF CLAIM (INCLUDING SUBORDINATED DEBT AND EQUITY SECURITIES CLAIMS) FILED AFTER THE BAR DATE SHALL BE DEEMED DISALLOWED AND EXPUNGED AS OF THE EFFECTIVE DATE WITHOUT ANY FURTHER NOTICE TO OR ACTION, ORDER, OR APPROVAL OF THE BANKRUPTCY COURT, AND HOLDERS OF SUCH CLAIMS MAY NOT RECEIVE ANY DISTRIBUTIONS ON ACCOUNT OF SUCH CLAIMS, UNLESS ON OR BEFORE THE CONFIRMATION HEARING SUCH LATE CLAIM HAS BEEN DEEMED**

G. Offer of Judgment: The Reorganized Debtors are authorized to serve upon a Holder of a Claim an offer to allow judgment to be taken on account of such Claim, and, pursuant to Bankruptcy Rules 7068 and 9014, Federal Rule of Civil Procedure 68 shall apply to such offer of judgment. To the extent the Holder of a Claim or Interest must pay the costs incurred by the

Reorganized Debtors after the making of such offer, the Reorganized Debtors are entitled to setoff such amounts against the amount of any distribution to be paid to such Holder without any further notice to or action, order, or approval of the Bankruptcy Court.

H. Amendments to Claims: On or after the Effective Date, except as provided in ARTICLE V.E, a Claim may not be Filed or amended without the prior authorization of the Bankruptcy Court or the Reorganized Debtors, and any such new or amended Claim Filed shall be deemed disallowed in full and expunged without any further action.

## **ARTICLE VII. PROVISIONS GOVERNING DISTRIBUTIONS**

A. Total Enterprise Value for Purposes of Distributions Under the Plan and the New Calpine Stock Reserve: Distributions of New Calpine Common Stock to Holders of Allowed Claims, and the establishment and maintenance of the New Calpine Stock Reserve, both as described below, shall be based upon, among other things, the New Calpine Total Enterprise Value. For purposes of distribution, the New Calpine Common Stock shall be deemed to have the value assigned to it based upon, among other things, the New Calpine Total Enterprise Value regardless of the date of distribution.

B. Distributions on Account of Claims and Interests Allowed as of the Effective Date: Except as otherwise provided in the Plan, a Final Order, or as agreed to by the relevant parties (which, prior to its dissolution, shall include the Creditors' Committee) and subject to the establishment of the New Calpine Stock Reserve, initial distributions under the Plan on account of Claims and Interests Allowed on or before the Effective Date shall be made on the Distribution Date; provided, however, that (1) Allowed Administrative Claims with respect to liabilities incurred by the Debtors in the ordinary course of business during the Chapter 11 Cases or assumed by the Debtors prior to the Effective Date shall be paid or performed in the ordinary course of business in accordance with the terms and conditions of any controlling agreements, course of dealing, course of business, or industry practice, (2) Allowed Administrative Claims for taxes asserted by the Texas Taxing Authority and the Louisiana Department of Revenue shall accrue interest and, in the event they become delinquent, penalties at the applicable state-law rate and to the extent provided by state law, and (3) Allowed Priority Tax Claims, unless otherwise agreed, shall be paid in full in Cash on the Distribution Date or over a five-year period as provided in section 1129(a)(9)(C) of the Bankruptcy Code with annual interest provided by applicable non-bankruptcy law; provided, however, that for the Allowed Priority Tax Claims asserted by the Louisiana Department of Revenue, the interest rate provided by applicable non-bankruptcy law shall be determined in accordance with section 511(b) of the Bankruptcy Code.

C. Distributions on Account of Claims Allowed After the Effective Date:

1. Payments and Distributions on Disputed Claims: Except as otherwise provided in the Plan, a Final Order, or as agreed to by the relevant parties, and subject to the establishment of the New Calpine Stock Reserve, distributions under the Plan on account of Disputed Claims that become Allowed after the Effective Date shall be made on the Periodic Distribution Date that is at least thirty days after the Disputed Claim becomes an Allowed Claim or Interest; provided, however, that (a) Disputed Administrative Claims with respect to liabilities incurred by the

Debtors in the ordinary course of business during the Chapter 11 Cases or assumed by the Debtors on or before the Effective Date that become Allowed after the Effective Date shall be paid or performed in the ordinary course of business in accordance with the terms and conditions of any controlling agreements, course of dealing, course of business, or industry practice and (b) Disputed Priority Tax Claims that become Allowed Priority Tax Claims after the Effective Date, unless otherwise agreed, shall be paid in full in Cash on the Periodic Distribution Date that is at least thirty days after the Disputed Claim becomes an Allowed Claim or over a five-year period as provided in section 1129(a)(9)(C) of the Bankruptcy Code with annual interest provided by applicable non-bankruptcy law; provided further, however, that for the Allowed Priority Tax Claims asserted by the Louisiana Department of Revenue, the interest rate provided by applicable non-bankruptcy law shall be determined in accordance with section 511(b) of the Bankruptcy Code.

2. Special Rules for Distributions to Holders of Disputed Claims: Notwithstanding any provision otherwise in the Plan and except as otherwise agreed by the relevant parties: (a) no partial payments and no partial distributions shall be made with respect to a Disputed Claim until all such disputes in connection with such Disputed Claim have been resolved by settlement or Final Order and (b) any Entity that holds both an Allowed Claim and a Disputed Claim shall not receive any distribution on the Allowed Claim unless and until all objections to the Disputed Claim have been resolved by settlement or Final Order and the Claims have been Allowed; provided, however, that the Reorganized Debtors shall make distributions to Holders of Allowed First Lien Debt Claims, Allowed Second Lien Debt Claims, Allowed Other Secured Claims, Allowed General Note Claims, Allowed Senior Note Claims, and Allowed Subordinated Note Claims on account of the Allowed portion of such Holders' Claims; provided further, however, that with respect to any separately-Filed Claim of the United States of America or any Governmental Unit thereof that is a Disputed Claim, as each such Disputed Claim becomes an Allowed Claim, such Allowed Claim shall be paid in accordance with the provisions of the Plan, notwithstanding the fact that other Disputed Claims of the United States of America or any Governmental Unit thereof have not been Allowed. In the event that there are Disputed Claims requiring adjudication and resolution, the Reorganized Debtors shall establish appropriate reserves for potential payment of such Claims pursuant to ARTICLE VII.C.3. Subject to ARTICLE VII, all distributions made pursuant to the Plan on account of an Allowed Claim shall be made together with any dividends, payments, or other distributions made on account of, as well as any obligations arising from, the distributed property as if such Allowed Claim had been an Allowed Claim on the dates distributions were previously made to Holders of Allowed Claims included in the applicable Class.

3. Reserve of New Calpine Common Stock: On the Effective Date, the Reorganized Debtors shall maintain in reserve shares of New Calpine Common Stock as the New Calpine Stock Reserve to pay Holders of Allowed Claims pursuant to the terms of the Plan. The amount of New Calpine Common Stock withheld as a part of the New Calpine Stock Reserve for the benefit of a Holder of a Disputed Claim shall be equal to the lesser of: (a) the number of shares necessary to satisfy the distributions required to be made pursuant to the Plan based on the asserted amount of the Disputed Claim or, if the Claim is denominated as contingent or unliquidated as of the Distribution Record Date, the amount that the Debtors, in consultation with the Creditors' Committee, elect to withhold on account of such Claim in the New Calpine Stock Reserve; (b) the number of shares necessary to satisfy the distributions required to be

made pursuant to the Plan for such Disputed Claim based on an amount as estimated by the Bankruptcy Court pursuant to section 502(c) of the Bankruptcy Code for purposes of allowance; or (c) the number of shares necessary to satisfy the distributions required to be made pursuant to the Plan based on an amount as may be agreed upon by the Holder of such Disputed Claim and the Reorganized Debtors. As Disputed Claims are Allowed, the Distribution Agent shall distribute, in accordance with the terms of the Plan, New Calpine Common Stock to Holders of Allowed Claims, and the New Calpine Stock Reserve shall be adjusted. The Distribution Agent shall withhold in the New Calpine Stock Reserve any dividends, payments, or other distributions made on account of, as well as any obligations arising from, the New Calpine Common Stock initially withheld in the New Calpine Stock Reserve, to the extent that such New Calpine Common Stock continues to be withheld in the New Calpine Stock Reserve at the time such distributions are made or such obligations arise, and such dividends, payments, or other distributions shall be held for the benefit of Holders of Disputed Claims whose Claims, if Allowed, are entitled to distributions under the Plan. Nothing in the Plan shall require the Reorganized Debtors to reserve New Calpine Common Stock on account of agreements, programs, and plans the Debtors may continue to honor after the Effective Date pursuant to ARTICLE IV.R and no such New Calpine Common Stock shall be so reserved. The Reorganized Debtors may (but are not required to) request estimation for any Disputed Claim that is contingent or unliquidated, as set forth in ARTICLE VI.C.

The LSP Shares shall be issued on the Effective Date, and, to the extent the approvals outlined below have not been received and to the extent necessary to comply with applicable law, placed in the New Calpine Stock Reserve. The LSP Shares shall be distributed to the LS Entities and the Luminus Entities or their designees, respectively, from the New Calpine Stock Reserve immediately upon the receipt by the LS Entities or the Luminus Entities, respectively, of any approval of the New York State Public Service Commission required in connection with the issuance of the LSP Shares to the LS Entities or the Luminus Entities, respectively; provided, however, that, to the extent that the Debtors or Reorganized Debtors, as applicable, are required to obtain approval of FERC pursuant to section 203 of the Federal Power Act, 16 U.S.C. §§ 824n-824n, with respect to the issuance of any LSP Shares to the LS Entities or the Luminus Entities, respectively, any LSP Shares in excess of 9.9 percent of the total amount of issued and outstanding New Calpine Common Stock that are held by the LS Entities or the Luminus Entities, respectively, together, in each case, with any Entities that are determined to be their “affiliates” under section 203 of the Federal Power Act, shall remain in the New Calpine Stock Reserve, and shall be distributed to the LS Entities or the Luminus Entities or their designees, respectively, immediately: (a) upon the Debtors or Reorganized Debtors, as applicable, obtaining any approval from FERC under section 203 of the FPA required with respect to the issuance to the LS Entities or the Luminus Entities, respectively, of the LSP Shares or (b) at such time as a given distribution to the LS Entities or the Luminus Entities, respectively, would not cause their holdings of New Calpine Common Stock, together with the holdings of any Entities that are determined to be their “affiliates” under section 203 of the Federal Power Act, to exceed 9.9 percent of the total amount of the issued and outstanding New Calpine Common Stock. Notwithstanding the foregoing, the LS Entities and the Luminus Entities shall at all times have the right, in their sole discretion, to direct the Distribution Agent to sell or otherwise dispose of any of their LSP Shares held in the New Calpine Stock Reserve, and the Distribution Agent shall immediately sell or dispose of such LSP Shares upon receiving and in accordance with any such direction from the LS Entities or the Luminus Entities, as applicable. Any dividends and

distributions (except for proceeds relating to any disposition of LSP Shares as set forth above which shall be immediately distributed to the LSP Entities or the Luminus Entities, as the case may be) related to the LSP Shares held in the New Calpine Stock Reserve that accrue on or after the Effective Date shall also be held in the New Calpine Stock Reserve, and shall be distributed directly to the LS Entities or the Luminus Entities or their designees, as applicable, at the time the LSP Shares to which they relate are distributed to the LS Entities or the Luminus Entities or their designees.

**Notwithstanding anything in the applicable Holder's Proof of Claim or otherwise to the contrary, the Holder of a Claim shall not be entitled to receive or recover a distribution under the Plan on account of a Claim in excess of the lesser of the amount: (a) stated in the Holder's Proof of Claim, if any, as of the Distribution Record Date, plus interest thereon to the extent provided for by the Plan; (b) if the Claim is denominated as contingent or unliquidated as of the Distribution Record Date, the amount that the Debtors, in consultation with the Creditors' Committee, elect to withhold on account of such Claim in the New Calpine Stock Reserve and set forth in the Plan Supplement, or such other amount as may be estimated by the Bankruptcy Court prior to the Confirmation Hearing; or (c) if a Claim has been estimated, the amount deposited in the New Calpine Stock Reserve to satisfy such Claim after such estimation.**

For purposes of any shareholder vote occurring after the Effective Date, the Distribution Agent or Servicer, as applicable, shall be deemed to have voted any New Calpine Common Stock held in the New Calpine Stock Reserve in the same proportion as all outstanding shares properly cast in such shareholder vote.

4. Tax Reporting Matters: Subject to definitive guidance from the Internal Revenue Service or an applicable court to the contrary (including the receipt by the Reorganized Debtors of a private letter ruling or the receipt of an adverse determination by the Internal Revenue Service upon audit, if not contested by the Reorganized Debtors), the Reorganized Debtors shall treat the New Calpine Stock Reserve as a single trust, consisting of separate and independent shares to be established with respect to each Disputed Claim, in accordance with the trust provisions of the Internal Revenue Code, and, to the extent permitted by law, shall report consistently with the foregoing for federal, state, and local tax purposes. All Holders of Claims shall report, for federal, state, and local tax purposes, consistently with the foregoing.

D. Delivery of Distributions

1. Record Date for Distributions: On the Distribution Record Date, the Claims Register shall be closed and any party responsible for making distributions pursuant to ARTICLE VII shall instead be authorized and entitled to recognize only those record Holders listed on the Claims Register as of the close of business on the Distribution Record Date. Notwithstanding the foregoing, if a Claim or Interest, other than one based on a publicly traded Certificate is transferred twenty or fewer days before the Distribution Record Date, the Distribution Agent shall make distributions to the transferee only to the extent practical and in any event only if the relevant transfer form contains an unconditional and explicit certification and waiver of any objection to the transfer by the transferor.

2. Distribution Agent: The Distribution Agent shall make all distributions required under the Plan, except that distributions to Holders of Allowed Claims and Interests governed by a separate agreement and administered by a Servicer shall be deposited with the appropriate Servicer, at which time such distributions shall be deemed complete, and the Servicer shall deliver such distributions in accordance with the Plan and the terms of the governing agreement.

3. Delivery of Distributions in General: Except as otherwise provided in the Plan, and notwithstanding any authority to the contrary, distributions to Holders of Allowed Claims and Interests shall be made to Holders of record as of the Distribution Record Date by the Distribution Agent or a Servicer, as appropriate: (a) in accordance with Federal Rule of Civil Procedure 4, as modified and made applicable by Bankruptcy Rule 7004; (b) to the signatory set forth on any of the Proofs of Claim or Interest Filed by such Holder or other representative identified therein (or at the last known addresses of such Holder if no Proof of Claim or Interest is Filed or if the Debtors have been notified in writing of a change of address); (c) at the addresses set forth in any written notices of address changes delivered to the Distribution Agent after the date of any related Proof of Claim or Interest; (d) at the addresses reflected in the Schedules if no Proof of Claim or Interest has been Filed and the Distribution Agent has not received a written notice of a change of address; or (e) on any counsel that has appeared in the Chapter 11 Cases on the Holder's behalf. Except as provided in ARTICLES IV.I and IX.A.7, distributions under the Plan on account of Allowed Claims and Interests shall not be subject to levy, garnishment, attachment, or like legal process, so that each Holder of an Allowed Claim or Interest shall have and receive the benefit of the distributions in the manner set forth in the Plan. The Debtors, the Reorganized Debtors, and the Distribution Agent, as applicable, shall not incur any liability whatsoever on account of any distributions under the Plan except for gross negligence or willful misconduct. Distributions to holders of publicly traded Certificates will be made in accordance with ARTICLE VII.D.10.

4. Accrual of Dividends and Other Rights: For purposes of determining the accrual of dividends or other rights after the Effective Date, the New Calpine Common Stock shall be deemed distributed as of the Effective Date regardless of the date on which it is actually issued, dated, authenticated, or distributed even though the Reorganized Debtors shall not pay any such dividends or distribute such other rights until distributions of the New Calpine Common Stock actually take place. Except as specifically otherwise provided in the Plan, in no event shall interest accrue after the Interest Accrual Limitation Date on account of any satisfied portion of an Allowed Claim or Interest.

5. Allocation Between Principal and Accrued Interest: Except as otherwise provided in the Plan, distributions on account of Allowed Claims and Interests shall be treated as allocated first to principal and interest accrued as of the Petition Date and thereafter, to the extent the New Calpine Total Enterprise Value is sufficient to satisfy such principal and interest accrued as of the Petition Date, any interest accrued from the Petition Date through the Interest Accrual Limitation Date.

6. Compliance Matters: In connection with the Plan, to the extent applicable, the Reorganized Debtors and the Distribution Agent shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements.

Notwithstanding any provision in the Plan to the contrary, the Reorganized Debtors and the Distribution Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable and appropriate. The Reorganized Debtors reserve the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support, and other spousal awards, liens, and encumbrances.

7. Foreign Currency Exchange Rate: Except as otherwise provided in the Plan or a Bankruptcy Court order, as of the Effective Date, any Unsecured Claim asserted in currency(ies) other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate as of Tuesday, December 20, 2005, as quoted at 4:00 p.m. (EDT), mid-range spot rate of exchange for the applicable currency as published in *The Wall Street Journal, National Edition*, on December 21, 2005.

8. Fractional, De Minimis, Undeliverable, and Unclaimed Distributions:

a. Fractional Distributions: Notwithstanding any other provision of the Plan to the contrary, payments of fractions of shares of New Calpine Common Stock or New Calpine Warrants shall not be made and shall be deemed to be zero, and the Distribution Agent shall not be required to make distributions or payments of fractions of dollars. Whenever any payment of Cash of a fraction of a dollar pursuant to the Plan would otherwise be required, the actual payment shall reflect a rounding of such fraction to the nearest whole dollar (up or down), with half dollars or less being rounded down.

b. De Minimis Distributions: Neither the Distribution Agent nor any Servicer shall have any obligation to make a distribution on account of an Allowed Claim or Interest from the New Calpine Stock Reserve or otherwise if: (i) the aggregate amount of all distributions authorized to be made from such New Calpine Stock Reserve or otherwise on the Periodic Distribution Date in question is or has an economic value less than \$10,000,000, based on Calpine's Total Enterprise Value, unless such distribution is a final distribution or (ii) the amount to be distributed to the specific Holder of an Allowed Claim or Interest on the particular Periodic Distribution Date does not constitute a final distribution to such Holder and is or has an economic value less than \$500.

c. Undeliverable Distributions: If any distribution to a Holder of an Allowed Claim or Interest is returned to a Distribution Agent as undeliverable, no further distributions shall be made to such Holder unless and until such Distribution Agent is notified in writing of such Holder's then-current address, at which time all currently due missed distributions shall be made to such Holder on the next Periodic Distribution Date. Undeliverable distributions shall remain in the possession of the Reorganized Debtors until such time as a distribution becomes deliverable, or such distribution reverts to the Reorganized Debtors pursuant to ARTICLE VII.D.8.d, and shall not be supplemented with any interest, dividends, or other accruals of any kind.

d. Reversion: Any distribution under the Plan that is an Unclaimed Distribution for a period of six months after distribution shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code and such Unclaimed Distribution shall revert in the Reorganized Debtors and, to the extent such Unclaimed Distribution is New Calpine Common Stock or New Calpine Warrants, shall be deemed cancelled. Upon such revesting, the Claim or Interest of any Holder or its successors with respect to such property shall be cancelled, discharged, and forever barred notwithstanding any applicable federal or state escheat, abandoned, or unclaimed property laws to the contrary. The provisions of the Plan regarding undeliverable distributions and Unclaimed Distributions shall apply with equal force to distributions that are issued by the Debtors, made pursuant to any indenture or Certificate (but only with respect to the initial distribution by the Servicer to Holders that are entitled to be recognized under the relevant indenture or Certificate and not with respect to Entities to whom those recognized Holders distribute), notwithstanding any provision in such indenture or Certificate to the contrary and notwithstanding any otherwise applicable federal or state escheat, abandoned, or unclaimed property law.

9. Manner of Payment Pursuant to the Plan: Any payment in Cash to be made pursuant to the Plan shall be made at the election of the Reorganized Debtors by check or by wire transfer. Checks issued by the Distribution Agent or applicable Servicer on account of Allowed Claims and Interests shall be null and void if not negotiated within ninety days after issuance, but may be requested to be reissued until the distribution reverts in the Reorganized Debtors pursuant to ARTICLE VII.D.8.d. The Debtors, with the consent of the Creditors' Committee, or Reorganized Debtors, as applicable, may (a) agree with any Holder of an Allowed Claim that is to receive New Calpine Common Stock under the Plan to satisfy such Allowed Claim with Cash generated from the sale of New Calpine Common Stock, (b) satisfy an Allowed CalGen Makewhole Claim with Cash generated from the sale of New Calpine Common Stock, and (c) satisfy any portion of the Disputed Second Lien Debt Claim that is ultimately Allowed pursuant to a Final Order with Cash generated from the sale of New Calpine Common Stock reserved on account of such Claim pursuant to ARTICLE VII.C.3; provided, however, that the Reorganized Debtors may only take actions provided in (c) through a resolution of the board of directors of Reorganized Calpine.

10. Surrender of Cancelled Instruments or Securities: On the Effective Date or as soon as reasonably practicable thereafter, each Holder of a Certificate shall surrender such Certificate to the Distribution Agent or a Servicer (to the extent the relevant Claim or Interest is governed by an agreement and administered by a Servicer). Such Certificate shall be cancelled solely with respect to the Debtors, and such cancellation shall not alter the obligations or rights of any non-Debtor third parties vis-à-vis one another with respect to such Certificate. No distribution of property pursuant to the Plan shall be made to or on behalf of any such Holder unless and until such Certificate is received by the Distribution Agent or the Servicer or the unavailability of such Certificate is reasonably established to the satisfaction of the Distribution Agent or the Servicer pursuant to the provisions of ARTICLE VII.D.11. Any Holder who fails to surrender or cause to be surrendered such Certificate or fails to execute and deliver an affidavit of loss and indemnity acceptable to the Distribution Agent or the Servicer prior to the first anniversary of the Effective Date, shall have its Claim or Interest discharged with no further action, be forever barred from asserting any such Claim or Interest against the relevant

Reorganized Debtor or its property, be deemed to have forfeited all rights, Claims, and Interests with respect to such Certificate, and not participate in any distribution under the Plan; furthermore, all property with respect to such forfeited distributions, including any dividends or interest attributable thereto, shall revert to the Reorganized Debtors, notwithstanding any federal or state escheat, abandoned, or unclaimed property law to the contrary. Notwithstanding the foregoing paragraph, ARTICLE VII.D.10 shall not apply to any Claims Reinstated pursuant to the terms of the Plan.

11. Lost, Stolen, Mutilated, or Destroyed Debt Securities: Any Holder of Allowed Claims or Interests evidenced by a Certificate that has been lost, stolen, mutilated, or destroyed shall, in lieu of surrendering such Certificate, deliver to the Distribution Agent or Servicer, if applicable, an affidavit of loss acceptable to the Distribution Agent or Servicer setting forth the unavailability of the Certificate, and such additional indemnity as may be required reasonably by the Distribution Agent or Servicer to hold the Distribution Agent or Servicer harmless from any damages, liabilities, or costs incurred in treating such Holder as a Holder of an Allowed Claim or Interest. Upon compliance with this procedure by a Holder of an Allowed Claim or Interest evidenced by such a lost, stolen, mutilated, or destroyed Certificate, such Holder shall, for all purposes pursuant to the Plan, be deemed to have surrendered such Certificate.

E. Claims Paid or Payable by Third Parties:

1. Claims Paid by Third Parties: The Claims and Solicitation Agent shall reduce in full a Claim, and such Claim shall be disallowed without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives payment in full on account of such Claim from a party that is not a Debtor or Reorganized Debtor. Subject to the last sentence of this paragraph, to the extent a Holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not a Debtor or a Reorganized Debtor on account of such Claim, such Holder shall, within two weeks of receipt thereof, repay or return the distribution to the applicable Reorganized Debtor, to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such distribution under the Plan. The failure of such Holder to timely repay or return such distribution shall result in the Holder owing the applicable Reorganized Debtor annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the two-week grace period specified above until the amount is repaid. Except to the extent set forth in the Second Lien Makewhole Settlement Order, nothing in the Plan shall affect the rights of the Holders of Second Lien Debt Claims to exercise the subordination rights granted to them in connection with the 6.00% Contingent Convertible Notes Due 2014 and the 7.75% Contingent Senior Convertible Notes Due 2015. Nothing in this paragraph shall (a) require the Pipelines to return any Claim distributions that otherwise might be interpreted to be required to be returned to the Reorganized Debtors by this paragraph on account of any future sales of pipeline capacity by the Pipelines to third parties or other transportation services by the Pipelines provided to third parties or (b) permit the Debtors to set off any future sales of pipeline capacity by the Pipelines to third parties or other transportation services by the Pipelines against Claim distributions to be made under the Plan.

2. Claims Payable by Third Parties: No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. To the extent that one or more of the Debtors' insurers agrees to satisfy in full a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, such Claim may be expunged to the extent of any agreed upon satisfaction on the Claims Register by the Claims and Solicitation Agent without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies: Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable insurance policy. Nothing contained in the Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including insurers under any policies of insurance, nor shall anything contained herein constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

F. Treatment of Interests: Notwithstanding anything in the Plan to the contrary, any provision in the Plan pertaining to the allowance of, or to potential distributions to be received in respect of, Interests shall only apply to the extent consistent with the distribution provisions in ARTICLES III.B.18, III.B.19, and III.B.20.

## **ARTICLE VIII. EFFECT OF CONFIRMATION OF THE PLAN**

A. Discharge of Claims and Termination of Interests: Pursuant to section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan, the distributions, rights, and treatment that are provided in the Plan shall be in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims, Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and Interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by employees of the Debtors prior to the Effective Date and that arise from a termination of employment or a termination of any employee or retiree benefit program, regardless of whether such termination occurred prior to or after the Effective Date, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (1) a Proof of Claim or Interest based upon such debt, right, or Interest is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (2) a Claim or Interest based upon such debt, right, or Interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (3) the Holder of such a Claim or Interest has accepted the Plan. Any default by the Debtors or their Affiliates with respect to any Claim or Interest that existed immediately prior to or on account of the filing of the Chapter 11 Cases shall

be deemed Cured on the Effective Date. The Confirmation Order shall be a judicial determination of the discharge of all Claims and Interests subject to the Effective Date occurring. Nothing in this paragraph shall impair the police or regulatory powers of the United States of America or any Governmental Unit thereof. The actions of the Securities and Exchange Commission that: (1) are non-pecuniary, (2) do not relate to collection of a Claim, or (3) do not pursue injunctions that could be reduced to a monetary Claim, are not discharged under ARTICLE VIII.A.

B. Subordinated Claims: The allowance, classification, and treatment of all Allowed Claims and Interests and the respective distributions and treatments under the Plan take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, section 510(b) of the Bankruptcy Code, or otherwise. Pursuant to section 510 of the Bankruptcy Code, the Reorganized Debtors reserve the right to re-classify any Allowed Claim or Interest in accordance with any contractual, legal, or equitable subordination relating thereto; provided, however, that the Reorganized Debtors must have authority from a Final Order of a court of competent jurisdiction to re-classify any Allowed Subordinated Note Claim other than as set forth in the Plan unless the Holder of such Allowed Subordinated Note Claim consents to such re-classification.

C. Compromise and Settlement of Claims and Controversies: Pursuant to section 363 of the Bankruptcy Code and Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided pursuant to the Plan, the provisions of the Plan shall constitute a good faith compromise of all Claims, Interests, and controversies relating to the contractual, legal, and subordination rights that a Holder of a Claim may have with respect to any Allowed Claim or Interest, or any distribution to be made on account of such an Allowed Claim or Interest. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims, Interests, controversies, as well as a finding by the Bankruptcy Court that such compromise or settlement is in the best interests of the Debtors, their Estates, and Holders of Claims and Interests and is fair, equitable, and reasonable. In accordance with the provisions of the Plan, pursuant to section 363 of the Bankruptcy Code and Bankruptcy Rule 9019(a), without any further notice to or action, order, or approval of the Bankruptcy Court, after the Effective Date, the Reorganized Debtors may compromise and settle Claims against them and Causes of Action against other Entities.

D. Releases by the Debtors: Pursuant to section 1123(b) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan or the Plan Supplement, for good and valuable consideration, including the service of the Released Parties to facilitate the expeditious reorganization of the Debtors and the implementation of the restructuring contemplated by the Plan, on and after the Effective Date, the Released Parties are deemed released and discharged by the Debtors, the Reorganized Debtors, and the Estates from any and all Claims, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative Claims asserted on behalf of the Debtors, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, that the Debtors, the Reorganized Debtors, the Estates, or their Affiliates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Entity, based on

or relating to, or in any manner arising from, in whole or in part, the Debtors, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party, the restructuring of Claims and Interests prior to or in the Chapter 11 Cases, the negotiation, formulation, or preparation of the Plan and Disclosure Statement, or related agreements, instruments, or other documents, upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date, other than Claims or liabilities arising out of or relating to any act or omission of a Released Party that constitutes a failure to perform the duty to act in good faith, with the care of an ordinarily prudent person and in a manner the Released Party reasonably believed to be in the best interests of the Debtors (to the extent such duty is imposed by applicable non-bankruptcy law) where such failure to perform constitutes willful misconduct or gross negligence. In addition, any and all releases by the Debtors provided for in section 3.6 of the CCAA Settlement are hereby adopted and incorporated as if explicitly set forth herein.

E. **Exculpation:** Except as otherwise specifically provided in the Plan or Plan Supplement, no Exculpated Party shall have or incur, and each Exculpated Party is hereby released and exculpated from any Claim, obligation, Cause of Action, or liability for any Exculpated Claim, except for gross negligence or willful misconduct, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Debtors and the Reorganized Debtors (and each of their respective Affiliates, agents, directors, officers, employees, advisors, and attorneys) have, and upon Confirmation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code with regard to the distributions of the securities pursuant to the Plan, and therefore are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan. Nothing in this paragraph shall impair the police or regulatory powers of the United States of America or any Governmental Unit thereof. Nothing in this paragraph shall apply in any action brought by the Securities and Exchange Commission in exercise of its police and regulatory powers.

F. **Releases by Holders of Claims and Interests:** Except as otherwise specifically provided in the Plan or Plan Supplement, on and after the Effective Date, Holders of Claims and Interests (a) voting to accept the Plan or (b) abstaining from voting on the Plan and electing not to opt out of the release contained in this paragraph (which by definition, does not include Holders of Claims and Interests who are not entitled to vote in favor of or against the Plan), shall be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever, released and discharged the Debtors, the Reorganized Debtors, and the Released Parties from any and all Claims, Interests, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative Claims asserted on behalf of a Debtor, whether known or unknown, foreseen or unforeseen, existing or hereafter arising, in law, equity or otherwise, that such Entity would have been legally entitled to assert (whether individually or collectively), based on or

relating to, or in any manner arising from, in whole or in part, the Debtors, the Debtors' restructuring, the Debtors' Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party, the restructuring of Claims and Interests prior to or in the Chapter 11 Cases, the negotiation, formulation, or preparation of the Plan and Disclosure Statement, or related agreements, instruments, or other documents, upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date, other than Claims or liabilities arising out of or relating to any act or omission of a Debtor, a Reorganized Debtor, or a Released Party that constitutes a failure to perform the duty to act in good faith, with the care of an ordinarily prudent person and in a manner the Debtor, the Reorganized Debtor, or the Released Party reasonably believed to be in the best interests of the Debtors (to the extent such duty is imposed by applicable non-bankruptcy law) where such failure to perform constitutes willful misconduct or gross negligence. In addition, any and all releases in section 3.6 of the CCAA Settlement are hereby adopted and incorporated as if set forth herein. Nothing in this paragraph shall apply in any action brought by the Securities and Exchange Commission in exercise of its police and regulatory powers. The Phelps Plaintiffs, the United States of America and any Governmental Unit thereof, and the Hawaii Plaintiffs are deemed to have opted out of the releases provided for in this paragraph and, therefore, are not bound by the releases provided for in this paragraph (and any injunctions relating to such releases). Notwithstanding ARTICLE VIII.F and ARTICLE VIII.G, and regardless of whether or how they vote on the Plan, the underwriter defendants in the state court litigation pending on the Petition Date in the Superior Court of California, County of Santa Clara, captioned *Hawaii Structural Ironworkers Pension Trust Fund v. Calpine Corp.*, Case No. 1-04-CV-021465 (Cal. Sup. Ct.) (the "Hawaii Litigation"), will not be, solely by virtue of the Plan, (a) deemed to have released any Claims for contribution in connection with the Hawaii Litigation against any of the director and officer defendants in the Hawaii Litigation, or (b) enjoined from pursuing any such Claims against such defendants.

G. **Injunction:** Except as otherwise expressly provided in the Plan or for obligations issued pursuant to the Plan, all Entities who have held, hold, or may hold Claims or Interests that have been released pursuant to ARTICLE VIII.D or ARTICLE VIII.F, discharged pursuant to ARTICLE VIII.A, or are subject to exculpation pursuant to ARTICLE VIII.E are permanently enjoined, from and after the Effective Date, from: (1) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests; (2) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree or order against such Entities on account of or in connection with or with respect to any such Claims or Interests; (3) creating, perfecting, or enforcing any encumbrance of any kind against such Entities or the property or estates of such Entities on account of or in connection with or with respect to any such Claims or Interests; (4) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property or Estates of such Entities on account of or in connection with or with respect to any such Claims or Interests unless such Holder has Filed a motion requesting the right to perform such setoff on or before the

Confirmation Date, and notwithstanding an indication in a Proof of Claim or Interest or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to section 553 of the Bankruptcy Code or otherwise; and (5) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests released or settled pursuant to the Plan. Nothing in the Plan or Confirmation Order shall preclude any Entity from pursuing an action against one or more of the Debtors in a nominal capacity to recover insurance proceeds so long as the Debtors or Reorganized Debtors, as applicable, in consultation with the Creditors' Committee, and any such Entity agree in writing that such Entity will: (a) waive all Claims against the Debtors, the Reorganized Debtors, and the Estates related to such action and (b) enforce any judgment on account of such Claim solely against applicable insurance proceeds, if any.

H. Protection Against Discriminatory Treatment: Consistent with section 525 of the Bankruptcy Code and the Supremacy Clause of the U.S. Constitution, all Entities, including Governmental Units, shall not discriminate against the Reorganized Debtors or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against, the Reorganized Debtors, or another Entity with whom such Reorganized Debtors have been associated, solely because one of the Debtors has been a debtor under chapter 11, has been insolvent before the commencement of the Chapter 11 Cases (or during the Chapter 11 Cases but before the Debtor is granted or denied a discharge) or has not paid a debt that is dischargeable in the Chapter 11 Cases.

I. Setoffs: Except as otherwise expressly provided for in the Plan, each Reorganized Debtor pursuant to the Bankruptcy Code (including section 553 of the Bankruptcy Code), applicable non-bankruptcy law, or as may be agreed to by the Holder of a Claim or Interest, may setoff against any Allowed Claim or Interest and the distributions to be made pursuant to the Plan on account of such Allowed Claim or Interest (before any distribution is made on account of such Allowed Claim or Interest), any Claims, rights, and Causes of Action of any nature that such Debtor or Reorganized Debtor, as applicable, may hold against the Holder of such Allowed Claim or Interest, to the extent such Claims, rights, or Causes of Action against such Holder have not been otherwise compromised or settled on or prior to the Effective Date (whether pursuant to the Plan or otherwise); provided, however, that neither the failure to effect such a setoff nor the allowance of any Claim or Interest pursuant to the Plan shall constitute a waiver or release by such Reorganized Debtor of any such Claims, rights, and Causes of Action that such Reorganized Debtor may possess against such Holder. In no event shall any Holder of Claims or Interests be entitled to setoff any Claim or Interest against any Claim, right, or Cause of Action of the Debtor or Reorganized Debtor, as applicable, unless such Holder has Filed a motion with the Bankruptcy Court requesting the authority to perform such setoff on or before the Confirmation Date, and notwithstanding any indication in any Proof of Claim or Interest or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to section 553 or otherwise; provided, however, that this provision shall have no effect on the setoff rights that may be held by: (a) Tara Energy, Inc.; (b) Manufacturers & Traders Trust Company, in its capacity as indenture trustee for the 7.75% Contingent Convertible Notes Due 2015; (c) Duke Energy Trading and Marketing L.L.C.; (d) Energy

Transfer Fuel, L.P., ETC Marketing, Inc., and Houston Pipeline Co. LP; (e) Spectra Energy Corporation, Texas Eastern Transmission LP (f/k/a Texas Eastern Transmission Corporation), Egan Hub Storage LLC, Moss Bluff Hub Partners LP, Gulfstream Natural Gas System, and Maritimes & Northeast US; (f) Wisconsin Electric Power Company; (g) any BP entities, including BP Products North America Inc., BP Amoco Chemical Company, BP Energy Company, BP Pipelines and BP CanadaEnergy Marketing Corp., and their predecessors and/or successors, if any; or (h) Tampa Electric Company. The setoff(s) and/or netting performed by Reliant Energy Electric Solutions, LLC (“REES”) on or about January 26, 2006 in connection with the transactions giving rise to REES’ Claim Nos. 2888 and 2889 (the “Setoffs and/or Netting”) are not affected by ARTICLE VIII.I. REES is not required to file the motion required by ARTICLE VIII.I in connection with the Setoffs and/or Netting. The Debtors reserve their right to object to REES’ Claim Nos. 2888 and 2889; provided, however, that the Debtors may not object to REES’ Claims on the basis that REES has not complied with ARTICLE VIII.I.

J. Recoupment: In no event shall any Holder of Claims or Interests be entitled to recoup any Claim or Interest against any Claim, right, or Cause of Action of the Debtors or the Reorganized Debtors, as applicable, unless such Holder actually has performed such recoupment and provided notice thereof in writing to the Debtors on or before the Confirmation Date, notwithstanding any indication in any Proof of Claim or Interest or otherwise that such Holder asserts, has, or intends to preserve any right of recoupment; provided, however, that this provision shall have no effect on any recoupment rights of: (1) Manufacturers & Traders Trust Company, in its capacity as indenture trustee for the 7.75% Contingent Convertible Notes Due 2015; (2) Tara Energy, Inc.; (3) Wisconsin Electric Power Company; (4) any BP entities, including BP Products North America Inc., BP Amoco Chemical Company, BP Energy Company, BP Pipelines and BP CanadaEnergy Marketing Corp., and their predecessors and/or successors, if any; or (5) Tampa Electric Company.

K. Release of Liens: Except as otherwise provided in the Plan or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to ARTICLE VII and, in the case of a Secured Claim, satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released, and discharged (except for charging Liens of the Indenture Trustees to the extent the Indenture Trustee’s fees and expenses are not paid pursuant to the Plan), and all of the right, title, and interest of any Holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the Reorganized Debtor and its successors and assigns; provided, however, that nothing in the Plan shall release (i) Liens granted by KIAC Partners and Nissequogue Cogen Partners to secure payment of the bonds used to construct the KIAC And Nissequogue Facilities; (ii) Liens granted by Calpine Hidalgo Energy Center, L.P., f/k/a Duke Hidalgo, to the Hidalgo Indenture Trustee and the Industrial Development Corporation of the City of Edinburg, Texas in connection with the Hidalgo Lease and to secure payment of the bonds used to construct the Hidalgo Facility; (iii) the Liens provided to the CalGen Lenders and the CalGen Collateral Agent pursuant to the CalGen Debt Repayment Order; (iv) the Liens securing ad valorem property taxes

owed to the Texas Taxing Authority, and such Liens will remain in full force and effect with the same validity, priority and to the same extent provided by state law until satisfaction in full of the tax claim or such portion thereof as is Allowed, and any penalties, fees or interest owed thereon as provided by ARTICLE VII.B; (v) the mortgages, deeds of trust, Liens, pledges, or other security interests granted to: (a) Bankers Commercial Corporation, (b) UNBC Leasing, Inc., and (c) U.S. Bank National Association, not in its individual capacity but solely as owner trustee, in connection with the Debtors' leasing of the Greenleaf Project; and (vi) the mortgages, deeds of trust, Liens, pledges, or other security interests granted to: (a) Verizon Capital Corporation and (b) The Bank of New York Trust Company, NA, not in its individual capacity but solely as owner trustee, in connection with the Debtors' leasing of the Agnews Project.

L. Document Retention: On and after the Effective Date, the Reorganized Debtors may maintain documents in accordance with their current document retention policy, as may be altered, amended, modified, or supplemented by the Reorganized Debtors in the ordinary course of business.

M. Reimbursement or Contribution: If the Bankruptcy Court disallows a Claim for reimbursement or contribution of an Entity pursuant to section 502(e)(1)(B) of the Bankruptcy Code, then to the extent that such Claim is contingent as of the time of allowance or disallowance, such Claim shall be forever disallowed notwithstanding section 502(j) of the Bankruptcy Code, unless prior to the Effective Date: (1) such Claim has been adjudicated as noncontingent or (2) the relevant Holder of a Claim has Filed a noncontingent Proof of Claim on account of such Claim and a Final Order has been entered determining such Claim as no longer contingent.

## **ARTICLE IX.**

### **ALLOWANCE AND PAYMENT OF CERTAIN ADMINISTRATIVE CLAIMS**

#### **A. Professional Claims**

1. Final Fee Applications: All final requests for payment of Claims of a Professional shall be Filed no later than forty-five days after the Effective Date. After notice and a hearing in accordance with the procedures established by the Bankruptcy Code and prior Bankruptcy Court orders, the Allowed amounts of such Professional Claims shall be determined by the Bankruptcy Court.

2. Payment of Interim Amounts: Except as otherwise provided in the Plan and subject to ARTICLE IX.A.1, Professionals shall be paid pursuant to the Interim Compensation Order.

3. Professional Fee Escrow Account: In accordance with ARTICLE IX.A.4, on the Effective Date, the Reorganized Debtors shall fund the Professional Fee Escrow Account with Cash equal to the aggregate Professional Fee Reserve Amount for all Professionals. The Professional Fee Escrow Account shall be maintained in trust for the Professionals with respect to whom fees or expenses have been held back pursuant to the Interim Compensation Order. Such funds shall not be considered property of the Reorganized Debtors. The remaining amount

of Professional Claims owing to the Professionals shall be paid in Cash to such Professionals by the Reorganized Debtors from the Professional Fee Escrow Account when such Claims are Allowed by a Bankruptcy Court order. When all Professional Claims have been paid in full, amounts remaining in the Professional Fee Escrow Account, if any, shall be paid to the Reorganized Debtors.

4. Professional Fee Reserve Amount: To receive payment for unbilled fees and expenses incurred through the Effective Date, on or before the Effective Date, the Professionals shall estimate their Accrued Professional Compensation prior to and as of the Effective Date and shall deliver such estimate to the Debtors and the Creditors' Committee. If a Professional does not provide an estimate, the Reorganized Debtors may estimate the unbilled fees and expenses of such Professional; provided, however, that such estimate shall not be considered an admission with respect to the fees and expenses of such Professional. The total amount so estimated as of the Effective Date shall comprise the Professional Fee Reserve Amount.

5. Post-Effective Date Fees and Expenses: Except as otherwise specifically provided in the Plan, from and after the Effective Date, the Reorganized Debtors shall, in the ordinary course of business and without any further notice to or action, order, or approval of the Bankruptcy Court, pay in Cash the reasonable legal, professional, or other fees and expenses related to implementation and Consummation incurred by the Reorganized Debtors and incurred by the Creditors' Committee in connection with those matters for which it remains in existence after the Effective Date pursuant to the Plan. Upon the Effective Date, any requirement that Professionals comply with sections 327 through 331 and 1103 of the Bankruptcy Code in seeking retention or compensation for services rendered after such date shall terminate, and the Reorganized Debtors may employ and pay any Professional in the ordinary course of business without any further notice to or action, order, or approval of the Bankruptcy Court.

6. Substantial Contribution Compensation and Expenses: Except as otherwise specifically provided in the Plan, any Entity who requests compensation or expense reimbursement for making a substantial contribution in the Chapter 11 Cases pursuant to sections 503(b)(3), (4), and (5) of the Bankruptcy Code (with the exception of the Indenture Trustees as set forth in ARTICLE IX.A.7) must File an application and serve such application on counsel for the Debtors or Reorganized Debtors, as applicable, and as otherwise required by the Bankruptcy Court and the Bankruptcy Code on or before the Administrative Claim Bar Date or be forever barred from seeking such compensation or expense reimbursement.

7. Indenture Trustee, Administrative Agent, and Collateral Trustee Fees, and Indemnification Obligations: Unless otherwise ordered by the Bankruptcy Court or specifically provided for in the Plan, all reasonable fees and expenses of the Indenture Trustees, the First Lien Indenture Trustee, the Administrative Agents, and the Collateral Trustee (and their counsel, agents, and advisors) that are provided for under the respective indentures or credit agreements and the Collateral Trust Agreement (including, without limitation, in connection with service on the Creditors' Committee and in connection with distributions under the Plan, but excluding fees and expenses related to litigation of Disputed Claims) shall be paid in full in Cash without a reduction to the recoveries of applicable Holders of Allowed Claims as soon as reasonably practicable after the Effective Date. Notwithstanding the foregoing, to the extent any fees or expenses of the Indenture Trustees, the First Lien Indenture Trustee, the Administrative Agents,

and the Collateral Trustee are not paid (including, without limitation, any fees or expenses incurred in connection with any unresolved litigation relating to Disputed Claims), the Indenture Trustees, the First Lien Indenture Trustee, the Administrative Agents, and the Collateral Trustee may assert their charging liens against any recoveries received on behalf of their respective Holders for payment of such unpaid amounts. The Debtors' contractual indemnification obligations to Indenture Trustees asserting a Second Lien Debt Claim, the Administrative Agents, the Collateral Trustee, and the CalGen Collateral Agent shall be reinstated as unsecured obligations of the Reorganized Debtors. Not later than thirty days after receipt of an invoice, the Reorganized Debtors shall pay the reasonable, actual, and documented fees and expenses incurred by the Indenture Trustee for the Second Lien Debt Claims and the Administrative Agent in connection with litigation over the Disputed Second Lien Debt Claim, provided that such fees and expenses shall not exceed \$600,000 in the aggregate. In addition to their reinstated indemnification obligations to the CalGen Collateral Agent, the Reorganized Debtors shall pay, on the Distribution Date, the reasonable, actual, and documented fees and expenses incurred by the CalGen Collateral Agent from March 29, 2007, to November 30, 2007, in consideration for the CalGen Collateral Agent's withdrawal from the appeal of the CalGen Debt Repayment Order and all related orders, provided that such fees and expenses for that period do not exceed \$150,000.

8. Payment of ULC1 Noteholders Ad Hoc Committee Fees and ULC1 Indenture Trustee Fees: Notwithstanding anything to the contrary in the Plan, the ULC1 Noteholders Ad Hoc Committee Fees and the ULC1 Indenture Trustee Fees shall be paid in full by the Debtors, on or as soon as reasonably practicable after the Effective Date, in Cash (in U.S. dollars), without the need for application to, or approval of, the Bankruptcy Court as a "substantial contribution" administrative expense under section 503(b) of the Bankruptcy Code. Any of such fees that are denominated in Canadian dollars shall be paid by the Debtors in U.S. dollars in accordance with the provisions of ARTICLE III.B.8.d.

9. Payment of Second Lien Ad Hoc Committee Fees: Notwithstanding anything to the contrary in the Plan, all Claims for reasonable fees and expenses of the professionals and advisors to the Second Lien Ad Hoc Committee shall be paid in full by the Debtors or Reorganized Debtors, as applicable, in accordance with the terms of the Cash Collateral Order.

B. Other Administrative Claims: All requests for payment of an Administrative Claim must be Filed with the Claims and Solicitation Agent and served upon counsel to the Debtors or Reorganized Debtors, as applicable, on or before the Administrative Claim Bar Date. Any request for payment of an Administrative Claim pursuant to ARTICLE IX.B that is not timely Filed and served shall be disallowed automatically without the need for any objection by the Debtors or the Reorganized Debtors. The Reorganized Debtors may settle and pay any Administrative Claim in the ordinary course of business without any further notice to or action, order, or approval of the Bankruptcy Court. In the event that any party with standing objects to an Administrative Claim, the Bankruptcy Court shall determine the Allowed amount of such Administrative Claim. Notwithstanding the foregoing, no request for payment of an Administrative Claim need be Filed with respect to an Administrative Claim previously Allowed by Final Order.

**ARTICLE X.**  
**CONDITIONS PRECEDENT TO CONFIRMATION**  
**AND CONSUMMATION OF THE PLAN**

A. Conditions to Confirmation: The following are conditions precedent to Confirmation that must be satisfied or waived in accordance with ARTICLE X.C:

1. The Bankruptcy Court shall have approved the Disclosure Statement, in a manner acceptable to the Debtors and the Creditors' Committee, as containing adequate information with respect to the Plan within the meaning of section 1125 of the Bankruptcy Code.

2. The proposed Confirmation Order shall be in form and substance acceptable to the Debtors and the Creditors' Committee.

3. The terms and conditions of employment or retention of any Persons proposed to serve as Named Executive Officers or directors of Reorganized Calpine, including, without limitation, as to compensation, shall be acceptable to the Debtors and the Creditors' Committee and be set forth in the Plan Supplement to the extent such terms and conditions of employment or retention differ from those in existence on August 21, 2007.

4. The most current version of the Plan Supplement and all of the schedules, documents, and exhibits contained therein (including the Reorganized Calpine Bylaws and the Reorganized Calpine Charter) shall have been Filed in form and substance acceptable to the Debtors and the Creditors' Committee.

B. Conditions Precedent to Consummation: The following are conditions precedent to Consummation that must be satisfied or waived in accordance with ARTICLE X.C:

1. The Bankruptcy Court shall have authorized the assumption and rejection of executory contracts and unexpired leases by the Debtors as contemplated by ARTICLE V.

2. The New Credit Facility shall have been executed and delivered by all of the Entities that are parties thereto, and all conditions precedent to the consummation thereof shall have been waived, with the reasonable consent of the Creditors' Committee, or satisfied in accordance with the terms thereof, and funding pursuant to the New Credit Facility shall have occurred.

3. The Confirmation Order shall have become a Final Order in form and substance acceptable to the Debtors and the Creditors' Committee.

4. The final version of the Plan Supplement and all of the schedules, documents, and exhibits contained therein (including the Reorganized Calpine Bylaws and the Reorganized Calpine Charter) shall have been Filed in form and substance acceptable to the Debtors and the Creditors' Committee without prejudice to the Reorganized Debtors' rights under the Plan to alter, amend, or modify certain of the schedules, documents, and exhibits contained in the Plan Supplement.

5. The Confirmation Date shall have occurred.

6. The New Calpine Common Stock shall have been accepted for listing on a national securities exchange or for quotation on a national automated interdealer quotation system.

C. Waiver of Conditions Precedent: The Debtors or the Reorganized Debtors, as applicable, with the consent of the Creditors' Committee and in consultation with the Equity Committee, may waive any of the conditions to Confirmation or Consummation set forth in ARTICLE X at any time, without any notice to parties-in-interest and without any further notice to or action, order, or approval of the Bankruptcy Court, and without any formal action other than proceeding to confirm or consummate the Plan. A failure to satisfy or waive any condition to Confirmation or Consummation may be asserted as a failure of Confirmation or Consummation regardless of the circumstances giving rise to such failure (including any action or inaction by the party asserting such failure). The failure of the Debtors or Reorganized Debtors, as applicable, to exercise any of the foregoing rights shall not be deemed a waiver of any other rights, and each such right shall be deemed an ongoing right, which may be asserted at any time.

D. Effect of Non-Occurrence of Conditions to Consummation: Each of the conditions to Consummation must be satisfied or duly waived pursuant to ARTICLE X.C, and Consummation must occur within 180 days of Confirmation, or by such later date established by Bankruptcy Court order. If Consummation has not occurred within 180 days of Confirmation, then upon motion by a party in interest made before Consummation and a hearing, the Confirmation Order may be vacated by the Bankruptcy Court; provided, however, that notwithstanding the Filing of such motion to vacate, the Confirmation Order may not be vacated if Consummation occurs before the Bankruptcy Court enters an order granting such motion. If the Confirmation Order is vacated pursuant to ARTICLE X.D or otherwise, then except as provided in any order of the Bankruptcy Court vacating the Confirmation Order, the Plan will be null and void in all respects, including the discharge of Claims and termination of Interests pursuant to the Plan and section 1141 of the Bankruptcy Code and the assumptions, assignments, or rejections of executory contracts or unexpired leases pursuant to ARTICLE V, and nothing contained in the Plan or Disclosure Statement shall: (1) constitute a waiver or release of any Claims, Interests, or Causes of Action; (2) prejudice in any manner the rights of such Debtor or any other Entity; or (3) constitute an admission, acknowledgment, offer, or undertaking of any sort by such Debtor or any other Entity.

E. Satisfaction of Conditions Precedent to Confirmation: Upon entry of a Confirmation Order acceptable to the Debtors and the Creditors' Committee, each of the conditions precedent to Confirmation, as set forth in ARTICLE X.A, shall be deemed to have been satisfied or waived in accordance with the Plan.

## **ARTICLE XI. MODIFICATION, REVOCATION, OR WITHDRAWAL OF THE PLAN**

A. Modification and Amendments: Except as otherwise specifically provided in the Plan, the Debtors, with the consent of the Creditors' Committee as to material terms, reserve the right to modify the Plan and seek Confirmation consistent with the Bankruptcy Code. Subject to certain restrictions and requirements set forth in section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019 and those restrictions on modifications set forth in the Plan, each of the

Debtors expressly reserves its respective rights to revoke or withdraw, or, with the consent of the Creditors' Committee, to alter, amend, or modify materially the Plan with respect to such Debtor, one or more times, after Confirmation, and, to the extent necessary, may initiate proceedings in the Bankruptcy Court to so alter, amend, or modify the Plan, or remedy any defect or omission, or reconcile any inconsistencies in the Plan, the Disclosure Statement, or the Confirmation Order, in such matters as may be necessary to carry out the purposes and intent of the Plan. Any such modification or supplement shall be considered a modification of the Plan and shall be made in accordance with ARTICLE XI. Upon its Filing, the Plan Supplement may be inspected in the office of the clerk of the Bankruptcy Court or its designee during normal business hours, at the Bankruptcy Court's website at [www.nysb.uscourts.gov](http://www.nysb.uscourts.gov), and at the Debtors' private website at <http://www.kccllc.net/calpine>. The documents contained in the Plan Supplement are an integral part of the Plan and shall be approved by the Bankruptcy Court pursuant to the Confirmation Order.

B. Effect of Confirmation on Modifications: Entry of a Confirmation Order shall mean that all modifications or amendments to the Plan since the solicitation thereof are approved pursuant to section 1127(a) of the Bankruptcy Code and do not require additional disclosure or resolicitation under Bankruptcy Rule 3019.

C. Revocation or Withdrawal of Plan: The Debtors reserve the right to revoke or withdraw the Plan prior to the Confirmation Date and to file subsequent plans of reorganization. If the Debtors revoke or withdraw the Plan, or if Confirmation or Consummation does not occur, then: (1) the Plan shall be null and void in all respects; (2) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount certain of any Claim or Interest or Class of Claims or Interests), assumption or rejection of executory contracts or unexpired leases effected by the Plan, and any document or agreement executed pursuant to the Plan, shall be deemed null and void; and (3) nothing contained in the Plan shall: (a) constitute a waiver or release of any Claims or Interests; (b) prejudice in any manner the rights of such Debtor or any other Entity; or (c) constitute an admission, acknowledgement, offer, or undertaking of any sort by such Debtor or any other Entity.

## **ARTICLE XII. RETENTION OF JURISDICTION**

Notwithstanding the entry of the Confirmation Order and the occurrence of the Effective Date, the Bankruptcy Court shall retain exclusive jurisdiction over all matters arising out of, or related to, the Chapter 11 Cases and the Plan pursuant to sections 105(a) and 1142 of the Bankruptcy Code, including jurisdiction to:

1. Allow, disallow, determine, liquidate, classify, estimate, or establish the priority, Secured or unsecured status, or amount of any Claim or Interest, including the resolution of any request for payment of any Administrative Claim and the resolution of any and all objections to the Secured or unsecured status, priority, amount, or allowance of Claims or Interests;
2. Decide and resolve all matters related to the granting and denying, in whole or in part, any applications for allowance of compensation or reimbursement of expenses to Professionals authorized pursuant to the Bankruptcy Code or the Plan;

3.
